**[Technology Transfer Division]**

A memorandum of understanding (MoU) has been signed between **ICAR - Central Institute of Agricultural Engineering, Bhopal** and **M/s Watershed Support Services and Activities Network (WASSAN), Hyderabad** on 20<sup>th</sup> March, 2024 for three years. The purpose of this MoU is to jointly carry out extensive demonstrations of identified agricultural engineering technologies using the network of NGO. The dissemination and adoptions of the modern and promising technologies would benefit the pace of animal husbandry mechanization in the selected areas including small holder farmers of rainfed areas.
